The Great Wealth Migration

Day Pitney Trusts and Estates Partner Tasha Dickinson and Miami Partner Daniel Diaz Leyva, Chair of the firm's Florida Real Estate Practice, recently co-authored an article for *South Florida Business & Wealth* titled, “The Great Wealth Migration.”

In the article, Dickinson and Diaz Leyva analyze South Florida's rise as a premier destination for high-net-worth individuals and families, driven by inflows from the Northeast, Latin America, and retiring Baby Boomers. They highlight how women, widows, divorcees, and self-made entrepreneurs are playing a growing role in shaping the region's financial landscape and driving demand for legacy planning and sustainable wealth management services.
